Thanks for sharing, sorry been away from my desk and heading out now. I am sharing the version you sent me after revising in response to some of Karen's responses in case you still want that. However, if I should just use the version you attached below, that's fine, just let me know.

Hi Samantha, hope you got a good laugh from my voicemail. If you haven't listened to it yet, the short is that I spilled tea on my work laptop and am scared to turn it back on until it dries out! I had my slides saved on the desktop, but I updated a version I had emailed myself a few days ago. Anyhow, I'm not planning on making any changes to the slides until after our Monday dry run (unless you find any thing embarrassing!).
